Subject: Exercise 'Fog'.

Ref. your No. CLO. 505/42-43 dated 13 Jun 43.

It is regretted that a reply to your letter has been delayed Attempts have been made to discover, from H.Q., Southern Army, the exact localities to which it is expected that this Exercise may extend. This information can not, however, be ascertained as it depends entirely on how the "battle" proceeds.

2. The nature of the Exercise is an ordinary training exercise in which Infantry, Tanks and Artillery will be taking part, but in which no live ammunition will be used.

3. It is not certain that the Exercise will extend into Mysore State, but, as explained above, it all depends on how the "battle" proceeds.
